

APPROVED ISBN RESOLUTIONS
ISO TC 46/SC 9 meeting
2006-02-09 – Chiang Mai, Thailand

Resolution 3: Disbanding of ISO TC 46/SC 9 Working Group 4 for Project 2108, "*Information and documentation – International Standard Book Number (ISBN)*"

SC 9 resolves that, having successfully completed the work of developing the new fourth edition of ISO 2108 on the International Standard Book Number, Working Group 4 will be disbanded. SC 9 further notes its appreciation to Mr. Michael Healy as the Convenor of WG 4 and to Ms. Stella Griffiths as the project rapporteur for their excellent management of the work and to all the members of WG 4 who contributed their expertise to the successful outcome of the ISBN revision project.

Resolution 4: Appreciation to Dr. Hartmut Walravens and the Staatsbibliothek zu Berlin

SC 9 resolves to reiterate its appreciation, in light of the upcoming transfer of the International ISBN Agency to new management, for the outstanding work done by Dr. Hartmut Walravens and staff of the International ISBN Agency at the Staatsbibliothek zu Berlin to support the growth and success of the ISBN system and for the excellent services they have provided to the global community of ISBN agencies and users.
